The Thai Royal Family was just informed that the initial “bacterial infection” diagnosis was in fact always untrue; thus, from the very start there was a coordinated coverup by the BigPharma captured authorities.

The Thai king is finally making the connections that Pfizer's mRNA “vaccine” is a slow kill bioweapon. He will be declaring the Pfizer contract null and void due to fraud, which will result in the stripping away of all immunity. Lawsuits and compensation payments just in Thailand will be greater than the billions in COVID profits that Pfizer stole on the backs of taxpayers (theft). »

This is the big story behind all the news about the US debt limit being reached, the defeat of Ukraine and the takedown of the fake Biden regime.

« The use of cross-dressers and people married to in the closet cross dressers as leaders is simply a part of the fact that anybody who wishes to rise to power in the Satanically controlled West needs to have something to be blackmailed about. Cross-dressing and keeping it secret is usually the least of the crimes a leader must be guilty of.

For example in Canada, crime minister Justin Trudeau's half-brother Kyle Kemper says the Rothschild-controlled WEF has "compromising material" on him that makes him a pawn who performs scripts written for him by his Satanic overlords. »

<https://newspunch.com/trudeaus-brother-says-wef-has-compromising-material-on-him-that-keeps-him-in-check/?s=09>

« Canada Prime Minister Justin Trudeau is a pawn of the global elite in service of the New World Order, according to a bombshell admission by his half-brother Kyle Kemper, who goes on to claim that Justin does not write his own speeches or tweets but instead performs scripts written for him by his globalist overlords. »

« Many of us have talked about and reported on how Klaus Schwab's World Economic Forum are penetrating governments and corrupting world leaders. Ready for some validation you can share around? »

“ If you're Canadian, take a seat. Your prime minister's own brother is about to explain why Justin Trudeau is so determined to tarnish the Canadian nation. If you're from America or another country, pull up a chair and have a listen. This is a signature lesson in how the globalist elite attempt to destroy country from the inside.

Asked why Trudeau is determined to tarnish the Canadian nation, Trudeau's brother said that he is merely a puppet of the New World Order and takes orders directly from groups such as the Council on Foreign Relations and Bilderberger which are all controlled by the World Economic Forum.

“He is the face and the lead spokesperson of the Canadian government, but the policies and initiatives that are driving it and are driving this narrative that he continues to push, that in my opinion is anti-freedom and anti-Canadian, is coming down from the higher ups, from groups like the World Economic Forum, the Council on Foreign Relations, and Bilderberg. They recognize they need to have these strong agents within governments and one thing we have seen within governments all around the world are weak leaders who are able to act as spokespeople. »

The article above is revealing shocking informations on the Trudeau Foundation. The only false thing is that Justin's father is not Pierre Elliott Trudeau, but rather Fidel Castro.

Let's hope that the awakened in Quebec are not naive to the point of believing that the corrupt injustice courts will stop the marxists plans from the Coalition Avenir Quebec (CAQ) and the Liberal Deep State ... especially with false experts who believe in viruses and a controlled opposition agent like Dr. Christian Perronne who 'has nothing against vaccination' and who peddles his filthy lies like 'the vaccines have saved billions of people from terrible diseases'!!
'I am all for running PCR tests...' (Dr. Perronne)

So Dr. Perronne is in favor of injecting Hydrogel from DARPA and weird stuff in the nasal cavity of the entire population several times each month to detect a virus that does not exist with a fraudulent test that cannot be used to diagnose a disease nor to identify a 'virus'?

Let's listen to the incriminating words that came out of Dr. Perronne's mouth in this video from 2 years ago:

« In 1979, the WHO and the CDC redesigned the International Classification of Diseases coding list and erased any possibility for the world's coroners to label a cause of death related to vaccination. A coroner has no code to input if he/she believes someone died of a vaccine.

For over fifty years, WHO and CDC have been forcing coroners to mislabel vaccination deaths. Beyond the fact it is likely a crime, this suppression means that "informed consent" has been totally corrupt for decades.

Contrary to what we have been made to believe, vaccination is neither safe for our children, nor for us. Poor vaccination protocols have been the likely premier cause of illnesses for over a century. »
