The two goals of the hearings are:

1. Inform the population on the details of the COVID-19 psychological terrorist attack and the dangers of the biological weapons referred to as COVID-19 vaccine,
2. Invite the population to vote for the issuance of the arrest warrants against the co-conspirators complicit in Genocide and Crimes against Humanity.

The list of defendants and the schedule can be found at: www.militarytribunal.quebec
Or in French at: www.tribunalmilitaire.quebec

Judges, lawyers, veterans, medical experts and scientific fraud investigators will present their testimonies, like these special guests:
Major General (Ret) Paul E. Valley, Sheriff Richard Mack, Todd Callender, Nick Mancuso, Benjamin Fulford, Ann Vandersteel, judges from the International Natural and Common Law Tribunal for Public Health and Justice, and more.

The tickets to attend the Live event on the Web are available on the new Tele-Republique.quebec channel:
